There is more to the dreaming process than just coming up with a vision for the world around us, we must also come up with a plan to help this dream come to be. This month we will be focusing on how to bring our dreams into being, and who better to teach us about this than the people who have done it themselves.

All through March we will bring in people from the church and the community at large who had a dream for the world and have done work to help these dreams come true. God is always at work in the world to bring justice and peace into being and our dreams, when aligned with God's love, are being carried along with the power of God.

We hope that through bringing people who have made their dreams a reality into conversation with the youth

that our youth will be inspired to take their dreams more seriously and work towards the reality of their own ideas and goals.

NOTE TIME CHANGE!: Since we will be having outside speakers coming in each week, the youth will be meeting together throughout March. All youth are invited to come at 6 p.m. for 30 minutes of hanging out and having fun. The program each night will start at 6:30 p.m. and will last until 7:30 p.m. Dinner will be from 7:30-8:00 p.m.. Youth night will be over at 8:00 p.m. To recap, during March all youth are invited to come to youth from 6:00 p.m.- 8:00 p.m. There will be no youth March 19th because we will be having a day of fun in Evanston on March 21st.
