

# YOUTH NEWS...

It may be hard to believe it...but May has arrived. May will bring a lot of fun stuff, but some sad stuff too. We will be working to bring together our dream discussions from over the last few months by creating an action plan for our Youth Group surrounding a common concern.

We hope that by finding one dream for our area we can empower one another to be a positive change for Franksville UMC and our community.

We will start by opening up the letters we wrote to ourselves in January about our dreams for the church and the world. We hope that by combining the ideas in these letters and what we have learned over the past few months we will be able to find a common dream for our group.

Then we will look at how we can positively affect our area through acts of both mercy and justice. First we will look at the short term acts of

mercy that will allow us to be in service with the community. Then we will take time to look at some of the root causes of the issue we choose to address. Using this discussion we will then think about ways that we can work to change some of these root causes through acts of justice.

Finally, we've come to the sad part. The end of May brings the end of Brittany's time with us here at

Franksville. So, for our final Youth Group we will have a Super Fun Youth Night to celebrate all the good times we've had with Brittany over the past year and to wish her good luck as she heads back to Arkansas. Along with this celebration on the 28th, take note that Brittany's last Sunday will be the 31st and she hopes to see all of you there!

See you at Youth!  
Brittany and Jonathan
